

This wine list highlights the terroir of classic and up-and-coming exceptional regions. The combination of climate, unique soils, grape varieties and the human factor shape the character of our wines.

We invite you on a journey, from the steep slopes of the Rhone valley and Mosel to the volcanic soils of Tokaj and Santorini. From the foggy hills of Piedmont and Tuscany to the wild beauty of mountainous Rioja, we can stop and wonder how the terroir reflects in a glass.

We love to explore what wines best complement the unique techniques and ingredients of Scandinavian cuisine and are excited to share this journey with you.
